Effective Prospecting
Sales Training
Course

COURSE LENGTH: 1.0 DAYS

Sales people shouldn't plan to sell to just anybody. They engage in sales prospecting or search for new and competent customers who need the company's products or services. This Effective Prospecting Sales Training course teaches sales professionals how to develop the prospecting skills that they will use to improve the company's sales performance.

After completing this Effective Prospecting Sales Training course, you will have learned to set your sales goals, the importance of prospecting in efficiently expanding the client base, how to use the 80/20 rule when identifying target markets, networking, the art of cold calling, how to participate in trade shows, and other activities necessary to improve sales and expand the business.

This comprehensive course is now available in London, Birmingham, Leeds, Glasgow, Sheffield, Bradford, Edinburgh, Liverpool, Manchester and UK wide.
