

MICROSOFT OFFICE 365 SHAREPOINT ESSENTIALS TRAINING

COURSE LENGTH: 0.5 DAYS

Sharepoint Online is the Office 365 platform for powerful collaboration. Learn how to manage and share information, ideas and expertise with co-employees, team members and other invited users in one place or access point through the Microsoft Office 365 Sharepoint Essentials Training.

During this course, you will learn: how to sign in and navigate the home page and team site, how to share and track the various content types, how to connect to Outlook, how to use the Library tools, how to create and manage a site, calendar, view and the other features that help make collaboration efficient and easy.

This comprehensive course is now available in London, Birmingham, Leeds, Glasgow, Sheffield, Bradford, Edinburgh, Liverpool, Manchester and UK wide.

MICROSOFT OFFICE 365 SHAREPOINT ESSENTIALS TRAINING COURSE OUTLINE

FOREWORD

In this workshop your participants will learn how to sign on to the Microsoft Office 365 portal, and see where their Sharepoint content will be stored. They will learn about the home page of the portal, where to sign into the Team Site and the Office 365 web apps, including Outlook.

Through Sharepoint Essentials your participants will take a look at the Team Site and how to navigate around and view the Sharepoint site. Sharepoint Online is the Office 365 answer to collaboration. Sharepoint Online will let your participants manage documents and information in one place that customers and colleagues can access from virtually anywhere.
