

ONENOTE 2010 ESSENTIALS TRAINING

MS OneNote 2010
Essentials

COURSE LENGTH: 1.0 DAYS

Don't you wish that you could track appointments and keep and share information in one place? Well, you can do all that and more with OneNote 2010 on your PC or mobile devices. Learn how from PD Training's OneNote 2010 Essentials Training course.

After this course, you will have learned how to: access and understand the OneNote 2010 interface and icon; insert content in various forms (handwritten/typewritten notes, audio/video files, pictures, etc.); open, create, close, save, print, search and share a notebook; add, move, rename, and delete sections, pages, sub-pages, use tags and time stamps, and many more functions that you can do with OneNote 2010.

This comprehensive course is now available in London, Birmingham, Leeds, Glasgow, Sheffield, Bradford, Edinburgh, Liverpool, Manchester and UK wide.
